

ANNOUNCEMENT OF THE TEAM RESULTS

IX International Tournament “Mathematics Without Limits – In the Footsteps of Thales”

October 10, 2026 – İzmir, Türkiye

Dear distinguished guests, dear students, teachers, and parents,

It is now time to announce the **team results** of the Ninth International Tournament “Mathematics Without Limits – In the Footsteps of Thales”!

The team ranking is determined by the sum of the three highest individual scores achieved by students from the same school, competing in different grades. Only one result from each grade is counted.

If a school does not have participants from three different grades, its team score is calculated using the available highest scores from different grades.

We are pleased to announce the winners of the **Gold, Silver, and Bronze Team Medals!**

GOLD MEDALS

Baba Tonka High School of Mathematics – Ruse, Bulgaria

The Gold Medals go to:

- **Danaya Danailova Atanasova** – Grade 6
- **Aleksandar Martinov Angelov** – Grade 8
- **Petar Petrov Georgiev** – Grade 9

MG Akad. Kiril Popov – Plovdiv, Bulgaria

The Gold Medals go to:

- **Viktor Momchilov Mavrov** – Grade 6
- **Dian Dimitrov Georgiev** – Grade 8
- **Aleks Nikolaev Enev** – Grade 9

Ivan Vazov High School of Mathematics – Dimitrovgrad, Bulgaria

The Silver Medals go to:

- **Nikol Gospodinova Dineva** – Grade 8
- **Hristiana Svetoslavova Georgieva** – Grade 10
- **Valentin Nikolaev Stanchev** – Grade 11

BRONZE MEDALS

ÖZEL BİLFEN FEN LİSESİ – İzmir, Türkiye

The Bronze Medals go to:

- **Devrim ÇAKIR** – Grade 11
- **Deniz ERSAN** – Grade 12

Geo Milev Maths and Science High School – Stara Zagora, Bulgaria

The Bronze Medals go to:

- **Alexander Sabinev Zhelev** – Grade 6
- **Denislav Petkov Ganev** – Grade 6
- **Nia Minkova Kazakova** – Grade 9

In this team, two participants are from the same grade, and there is no third participant from another grade. According to the team ranking rules, only one result from Grade 6 and one result from Grade 9 are counted. Therefore, the team's total score is calculated as the sum of two individual results.

Congratulations to all our Gold, Silver, and Bronze Team Medal winners!

We warmly congratulate the students, their teachers, and their schools on their outstanding achievements!

Thank you for your dedication, hard work, and passion for mathematics!
